Office in the morning.

We went to Davidsonville and lunched with Janie and John Bogg.

Afterwards, we all went over to see a house called "Shadow Point" [redacted] on the West River. It is a beautiful piece of property but not a desirable house.

We got back late this afternoon and went to the Stewart Alsops' for a dinner they were giving in honor of the Joyces.

Afterwards, we went to the Wisners' for a dance which they and a group of friends were having for the Joyces. It was [redacted] enjoyable and lasted until daylight.
